DENVER AREA LABOR FEDERATION

September 26, 2022

Dear Coroner Cannon,

Thank you for participating in the Denver Area Labor Federation (DALF) endorsement process. We appreciate the time you took to learn about the labor movement, our affiliate unions, and some of the issues that impact union members and working people. After careful consideration and vote of our democratic delegate body, we are proud to announce that we are endorsing your candidacy for election to Jefferson County Coroner.

With your help, DALF and our affiliates seek to promote working-family policies and protect high-quality jobs.

DALF represents over 100 local unions and 90,000 union members and their families in the Denver Metro Area, including but not limited to janitors, firefighters, nurses, educators, telecommunications workers, building and construction trades, and workers in both the public and private sectors.

Our legislative and political program supports the election of worker-friendly officials and the passage of legislation to support workers, their families, and good jobs. We look forward to working together to ensure your success in the election, and if successful in your campaign, acting in partnership to secure good jobs and fairness for working people in Jefferson County and throughout Colorado.

In Solidarity,

Dewey Jackson  
President  
Denver Area Labor Federation, AFL-CIO
